

REDS BASEBALL ACADEMY TRYOUTS

About Us

The Reds Baseball Academy (RBA) training facility is located at 111. W. Hydraulic St. in the heart of downtown. We offer year round training, support for multi-sport athletes in both youth and high school age groups and an excellent training regimen leading into high school tryouts. We train and roster athletes from Yorkville and the far surrounding areas.

RBA provides paid/professional coaching for our baseball teams. The RBA baseball program has had, over the last 10 years, approximately 70 baseball athletes selected to play in college.
